

## **Lon Levin**

President  
SkySevenVentures

Lon Levin is an entrepreneur and executive with over 20 years experience in the space, new media, and telecommunications industries. He is the cofounder of XM Satellite Radio and also played an integral role in the formation and development of other satellite companies including Mobile Satellite Ventures, XM Canada, American Mobile Satellite Corporation, and TerreStar Networks. Before his corporate career, Lon was a partner in the law firm Gurman, Kurtis, Blask & Freedman, where he specialized in satellite, space, media, and wireless matters. He started his career as an attorney at the Federal Communications Commission.

Lon serves on the Board of Directors of the Space Foundation and the International Association of Space Entrepreneurs, as well as the Board of Governors of the National Space Society. He was a founding board member of the Satellite Industry Association and was its cochairperson from 1996-98. Lon was inducted into the NASA Space Foundation Technology Hall of Fame in 2002.
